FRONTEND DEVELOPER

LIMA - PERU

As a MERN Stack Developer, I am known for my strong problem-solving skills, attention to detail, and ability to write clean, efficient code. I am always up-to-date with the latest technologies and trends in web development, and I am proficient in using AI to optimize processes and boost my productivity. My ability to learn quickly, adapt to new environments, and work collaboratively with cross-functional teams makes me a valuable asset in any dynamic and fast-paced work setting.
